ROLLS-ROYCE
MOTOR CARS

Phantom Series II. The evolution
of a masterpiece where perfection
is expressed in the nuances of
every detail.

“SMALL THINGS MAKE PERFECTION,
BUT PERFECTION IS NO SMALL THING.”

SIR HENRY ROYCE

Phantom Series II is the ultimate expression of Rolls-Royce's unceasing pursuit of excellence, our marque's most captivating creation.

The evolution of our icon is expressed in two models, Phantom Series II and Phantom Extended Series II. Both epitomise unrivalled craftsmanship and vision in every detail. Two masterpieces in perfect harmony.

NUANCES OF PERFECTION

Since its inception Phantom has been the benchmark for automotive and luxury pre-eminence. A new pinnacle has now been reached, as innovative and traditional designs combine across every element to create a motor car that commands presence.

PHANTOM SERIES II

A LEGENDARY MAVERICK

Phantom Series II has been created for the bold spirits, those for whom perfection is the starting point and who are uncompromising in the fulfilment of their desires.

Commanding in expression, attitude and presence, Phantom Series II is the embodiment of authority, tempered by the epitome of refinement.

A drive of finesse and power.

Nuances across every detail of design, artisanship and character combine in exquisite harmony to create a new standard of perfection.

NEW ILLUMINATED GRILLE*

Amplified by a Dark Chrome Surround, the legendary Rolls-Royce Pantheon Grille now radiates a stunning glow. Above, a polished bar perfectly aligns with the new Daytime Running Lights, creating a powerful horizon line.

DYNAMIC AND DISC WHEELS†

22" 7-spoke Fully or Part Polished Dynamic Wheels, or 22" Fully Polished or Black Disc Wheels create a mesmerising visual effect.

STARLIGHT HEADLIGHTS

Starlight Headlights evoke the timeless astral beauty observed in a clear night sky. Appearing for the first time on Phantom Series II, they glisten amongst the darkness with an intricate shine of 580 laser-cut stars.

*This feature has market restrictions and is not available in Singapore. †Disc Wheels are not available in Korea.

GALLERY

An intimate exhibition with Ruthenium coated layers creates a visually stunning 3D gallery.

PHANTOM EXTENDED SERIES II

A LANDSCAPE OF CALM

While Phantom Extended Series II demands attention at every turn, its mesmerising exterior conceals an interior swathed in artisanal excellence. The finest veneers and sumptuous leather create a haven of serenity.

Phantom Extended Series II has been created for the world's leading tastemakers, those whose very thoughts can shape culture and form the future.

For those seeking moments of calm
within the sanctuary of the rear cabin,
Phantom Extended Series II offers a
customisable Eden of escapism.

DYNAMIC AND DISC WHEELS*

22" Fully Polished or Black Disc Wheels, or 22" 7-spoke Fully or Part Polished create a mesmerising visual effect.

REAR CABIN

With a haven of serenity in the rear cabin, Phantom Extended offers a super-luxurious chauffeur-driven experience.

INTERIOR

Hues that echo nature, with Dark Amber Veneer and sumptuous Iceland Moss Leather, envelop the meticulously designed interior.

NEW ILLUMINATED GRILLE†

Striking and sophisticated, the new Illuminated Grille commands attention, providing a unique and unmistakable presence.

*This feature has market restrictions. Disc Wheels are not available in Korea. †Illuminated Grille is not available in Singapore.

A close-up photograph of a car's interior. The upper portion shows a green leather headrest with a visible stitching pattern. Below it is a brushed metal trim piece with a wavy, sculptural design. The lower part of the image shows a dark, textured surface, possibly a dashboard or door panel, with some small, glowing orange lights.

ROLLS-ROYCE
MOTOR CARS

Fuel economy and CO₂ results for Rolls-Royce Phantom Series II: WLTP combined:
CO₂ emissions: 362-351 g/km; Fuel consumption: 17.7-18.2 mpg / 16.0-15.5 l/100km

Fuel economy and CO₂ results for Rolls-Royce Phantom Extended Series II:
WLTP combined: CO₂ emissions: 365-353 g/km; Fuel consumption: 17.4-18.1 mpg
/ 16.2-15.6 l/100km

The values of fuel consumptions, CO₂ emissions and energy consumptions shown are based on the new WLTP test-cycle and determined according to the European Regulation (EC) 715/2007 in the version applicable at the time of type approval. The figures shown consider optional equipment and the different size of wheels and tyres available on the selected model. Changes of the configuration can lead to changes of the values. For vehicle related taxes or other duties based (at least inter alia) on CO₂ emissions the CO₂ values may differ to the values stated here. They do not relate to any one particular vehicle, nor are they part of any offer made, rather they are solely for the purpose of comparing different kinds of vehicle. Further information about the official fuel consumption and the specific CO₂ emissions of new passenger cars can be taken out of the "Guide to Fuel Consumption, CO₂ Emissions and Electricity Consumption of New Passenger Cars", which is available at all selling points and at www.gov.uk/co2-and-vehicle-tax-tools/ in the United Kingdom, www.dat.de/co2/ in Germany and or your local government authority.
